Dear Community Partners,

Invitation to Support Dream Teens Community Foundation

I hope this letter finds you well. I am writing to introduce you to the Dream Teens Community Foundation (DTCF), a 501(c)(3) non-profit organization dedicated to empowering youth in underserved communities. Founded by Atlanta native Natasha Byrd in May 2023, DTCF has been making strides in DeKalb and Gwinnett counties, with plans for further expansion. Our mission is rooted in the belief that "It's easier to build strong children than to repair broken men," as expressed by Frederick Douglass.

DTCF addresses pivotal facets influencing youth development via its Five Focus Areas: Education, Counseling, Health & Wellness, Life-Skills, and Community Exposure. Our comprehensive programs offer an array of resources, including but not limited to tutoring, mentoring, crisis intervention, health screenings, financial literacy education, job readiness training, and community engagement events. These strategic initiatives are designed to furnish young individuals with the essential tools necessary for academic, emotional, and social success.

We invite you to become a valued partner in our mission by participating in one of our sponsorship tiers. Your support will help us expand our reach and enhance the quality of our programs, ultimately creating a positive impact on the lives of many young people.
